MEMORANDUM

TO: CUSTODIANS OF MEDICAID SERVICES MANUAL
FROM:  JOHN A. LIVERATTI, CHIEF, COMPLIANCE
SUBJECT: MEDICAID SERVICES MANUAL CHANGES
CHAPTER 2000 – AUDIOLOGY SERVICES

BACKGROUND AND EXPLANATIONS

Audiology services is a Nevada Medicaid covered service. Historically the audiology policy has been included in MSM Chapter 1300 - DME, Disposable Supplies and Supplements. Program Services decided to make the policy more provider-friendly, so a separate chapter for Audiology was needed, thus creating a new Medicaid Services Manual, Chapter, 2000 - Audiology Services. The chapter has been expanded to explain in greater detail the coverage, limitations and overall policy of the Audiology Program. The chapter will be effective upon approval of the public hearing.
